

## **ENVIRONMENTAL POLICY STATEMENT**

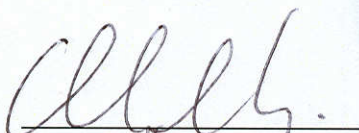

***Best Dressed Chicken Processing Plant (a member of the Jamaica Broilers Group of Companies) is committed to meeting the needs of the society and our customers by continuously improving the environmental performance of its operations and striving to minimise the impact of our activities on the surrounding environment, in compliance with current legislation .***

***The Company will implement an Environmental Management Programme (EMP) with specific objectives and targets in an effort to:***

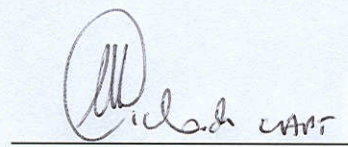

- ***conserve energy and water***
- ***manage solid waste and explore opportunities for reuse and recycling***
- ***reduce risk of loss of property through fire.***

***Employees will be appropriately trained to fulfil their roles within the EMP. The Environmental Policy will be communicated to all our employees and contractors and will be made available to interested parties.***

***Best Dressed Chicken Processing Plant will work with community groups and relevant government organisations to protect the environment of Jamaica for present and future generations.***
