

## VACANCY

### FACILITIES PLANNER

Jamaica Broilers Group Limited is seeking a proactive, hands-on individual, whose core function will be to plan, schedule and monitor the execution of routine projects by ensuring quality, considering legal requirements, costing and measuring effectiveness, to fill the captioned position.

The ideal candidate should possess the following:

- ◆ A BSc. Degree in Mechanical Engineering or its' equivalent from a recognized institution;
- ◆ Knowledge of Feed Mill Technology;
- ◆ Knowledge of Inventory Management systems;
- ◆ High awareness of current animal feed manufacturing best practices;
- ◆ Knowledge of computerized preventative maintenance systems;
- ◆ Knowledge of maintenance evaluation systems;
- ◆ Working knowledge of basic accounting principles and practices;
- ◆ Experience in handling conflicts/controversial projects/high priority assignments;
- ◆ Strong negotiation and problem solving skills;
- ◆ Highly developed human relations, analytical, multi-tasking, time management and communication skills;
- ◆ Competence in Microsoft Office Suites as well as project management software;
- ◆ Sound Project planning and scheduling skills;
- ◆ Minimum of three (3) years' experience in a similar position in a manufacturing or related industry.

Interested persons should submit applications giving details of experience and qualifications no later than **Friday, January 18, 2019** to:

The Group Human Resources Manager  
**Group Human Resources Department**  
**Jamaica Broilers Group Limited**  
**McCook's Pen, St. Catherine**
